Mandatory Components

There are no mandatory components.

Requirements and Availability

Available to customers in Opticomm Broadband Network Fibre broadband service areas only.

Opticomm Equipment Requirements

You will require Opticomm Fibre equipment to access this service. The Opticomm equipment will be provided by the Opticomm and must be installed by an Opticomm technician.

Exclusion

Activ8me do not include a router as part of this service. You may bring your own Opticomm-ready router or separately purchase an Opticomm ready wireless router from Activ8me.

Activ8me supplied equipment is entitled to full technical support and a 12-month equipment warranty. A \$15 delivery charge applies to equipment delivery.

Installation

Installation is completed by OptiComm technician. OptiComm may charge you an installation fee to install equipment at your premise. Additional charges will apply if your installation is non-standard. If you are not the owner of the property where the service is to be installed, you must obtain the owner's consent to the installation of the service, including where the equipment is installed in your home.

Usage Information

A record of your account usage can be viewed by logging into the 'My Account' section of the Activ8me website at www.activ8me.net.au. Usage information can take up to 24 hours to update.

Internet usage must be for residential use only and may not be used for commercial purposes.

Visit www.activ8me.net.au to view the policy document.
